For SALE, by public Auction,
at the usual Place in CHARLES-TOWN, on TUESDAY the 26th
Day of FEBRUARY, Instant,

THE FOLLOWING LANDS,
Being Part of the REAL ESTATE of WILLIAM
MIDDLETON, Esquire, deceased;

A VALUABLE PLANTATION in St.
Bartholomew's Parish, Midway between Ponpon and
Ashpoo Bridges (an easy Day's Ride from Charles-Town)
containing One Thousand and Twenty Acres, upwards of 600
of which are supposed, by those knowing the Tract, to be Swamp
inferior to none in the Province, and enough for three or four
complete Plantations; the which is heavily timbered with Tu-
pelo, and has more stately Cypresses than any Tract of the like
Distance to the Southward; of the latter, scarce an Acre has less
than to make 2000'. worth of Lumber, now become a very pro-
fitable, quick saleable, and ready-money Article: Which
Business (after the Crop of Rice is planted, which will require
but little Attendance for many Years, on account of the Ground
being new) may be very advantageously carried on, as there are
two Landings but three Miles and an Half from the Settlement.
There is on this Tract, a Two-story well-framed Dwelling-
House, a Barn, a Kitchen, a Wash-house, and a large Chair-
House and Stables, all of Cypress.

A very Valuable PLANTATION in PRINCE
WILLIAM's Parish, 1500 Acres of which are free from Quit-
Rents, well known by the Name of TRUE-BLUE, containing
Two Thousand four Hundred and Seventy-seven Acres; the
high Land of which is inferior to none on the Main for Indico
and Corn, and the Swamp is equal in Quality to any in the Pa-
rish, which has Back-water sufficient to flow the Whole, and
some Hundreds of Acres of the fresh Water hard Marsh besides,
adjoining, which may be made Rice Land with little Trouble.
Large Fields of Rice and Indico may be planted on this Plan-
tation for the ensuing Crop, as it has all Fencing, and every re-
quisite and convenient Building to a well-settled Plantation, such
as a very good and genteel Dwelling-House with nine Rooms,
a fire-place, a Kitchen, Wash-House, Dairy,
Store-House, Barn, Machine-House and Machine, Rough-Rice
House, Corn-House, Stable, Chair-House, and an Overseer's
House, and (which must greatly add to the Value of it) not above
one Mile and an Half from a good private Landing on Bull's
River. And,

An ISLAND, well known by the Name of
LARRIS'S ISLAND, having many good Landings to it, about
half a Mile from the above Landing, in Sight of Cheehaw, con-
taining Three Thousand one Hundred and Eighty-five Acres of
high Land, very good for Hemp, Corn or Indico, or which may
make a Range for many Hundred Head of Cattle and Hogs,
as there are some Thousands of Acres of hard Marsh joining it,
and, as the high Land abounds with Oak and Hickory, yielding
good val'ly affixing to Stock. It may also answer the Purpose of
breeding MULES. There is on it, a Building with Brick
Chimney, where Mr. Joseph Bryan lived.

The Purchasers shall have the Credit most agreeable to them,
giving approved Security, and paying the Interest punctually.
PIERCE BUTLER.
BENJAMIN GUERARD.

On the above-mentioned Day, and at the same Place, the Sub-
scriber will expose to SALE,

A Tract of One Thousand Acres of Land, join-
ing True Blue Plantation: on which are lately cleared,
eighty or One Hundred Acres of Rice Land, which may be
anted in April next.—This Tract needs no other Recom-
mendation than to say, it is free from Quit-Rents, and was
granted to the late Lieutenant-Governor, who knew the Value
of good Land better than to accept a Grant of bad.—There
may be upwards of Two Hundred and Fifty Acres of this Tract
Rice Land.

FIFTEEN HUNDRED Acres of choice Hemp and
Indico LAND, and in a very healthy Country, granted
to the late JOHN GUERARD, Esquire, to wit.—Five Hundred

Hundred Acres on a Branch of Stevens's Creek, called TUR-
KEY CREEK, bounded on all Sides on vacant Land: And five
Hundred Acres on the said Branch of Stevens's Creek, also bound-
ed, when granted, on all Sides by vacant Land.

The Terms will be declared on the Day of Sale.

vertisement,

ORDERED,

JAMES JOHNSTON, C. C. & P.

SOUTH-CAROLINA.
THE PRESENTMENTS
OF THE
GRAND-JURORS,
(For the Body of this Province)

At a Court of General Sessions of the Peace, Oyer and Terminer, Affice and General Goal Delivery, begun and holden at Charles-Town, on Monday the 21st Day of January, 1772.

I. **WE** present as a Grievance, the Want of a proper Law for the effectually Lighting the Streets and Alleys in Charles-Town, and for inflicting severe Fines and Punishments on those who shall be convicted of having wantonly or maliciously broken the Lamps, or in any other Manner obstructed or defeated so useful a Regulation.

II. **WE** present as a Grievance, that the Laws for regulating the Markets are not properly attended to by the Commissioners, but left principally to the Management of their Clerk.

III. **WE** present as a Grievance, the Want of a Law for establishing a Fire-Company in Charles-Town; to be provided, at the Public Expence, with Buckets, Bags, Caps, Axes, and other necessary Implements for extinguishing of Fire, and for removing the Property of Persons so distressed, to Places of Safety: And earnestly recommend, that the Laws already made to prevent Fire, may be fully and maturely revised, and such further Regulations made therein, as the Legislature shall think proper, to prevent so great a Calamity.

IV. **WE** present as a Grievance, the extreme bad Condition of the public Roads throughout the Province, in particular the new Road leading from Colonel Gaillard's to Samuel Kigg's: And do recommend, that the two first Presentments of the Grand-Jurors for January, 1770 (for widening the Roads—to prevent cutting down Trees on the Road Side—and for appointing Surveyors of the public Roads, with proper Salaries) be properly attended to.—That the Legislature may grant a Sum of Money for completing the Road over New-River to Rochester Ferry, the Inhabitants being few, and incapable of doing the same, so as to render it of public Utility.

V. **WE** present as a Grievance, that the Militia and Patrol Aids are not properly enforced: It having been represented to us, that the Neglect therein are become general, but particularly, that on a late Muster-Day, at a Parish near Charles-Town, only seven private Men, without any Officer, were assembled; and those few so insufficiently armed and accoutred, as to show that the Laws relative thereto, are in some Respects deficient, and easily evaded.

VI. **WE** present as a very great Grievance, the neglected ruinous State of the Fortifications throughout the Province, particularly those in and near Charles-Town; and recommend, that the Legislature would immediately take this Article into their most serious Consideration.—That Fort Johnson may be put upon a more respectable Footing; it having been represented to us, that the Platforms are decayed, many of the Guns dismounted, and the Fort in Want of Stores, and every other necessary Article of Defence.—That a new Fort may be built on Sullivan's Island, as near the Channel as possible, having Reason to believe that Great-Britain is on the Eve of a War with France and Spain.

VII. **WE** present as a Grievance, the Want of a Draw-Bridge over Wapoo Creek.

VIII. **WE** present as a Grievance, the great Number of Drunkenness and Tippling-Houses in Charles-Town, such as entertain Negroes and other disorderly Persons: And recommend, that the Magistrates residing in Charles-Town, would be more vigilant in suppressing such of them as they find to act contrary to Law and good Order.

IX. **WE** present as a very great Grievance, that (notwithstanding so many Presentments to this Purpose) the Poor, from all Parts of this extensive Province, and other Parts of the World, crowd into Charles-Town daily: And do earnestly recommend, that the Legislature do take such Methods to stop this growing Evil, as they shall think most conducive thereto, or to put the Poor-Tax on such a Footing, that every Part of the Province may bear an equal Proportion thereof.

X. **WE** present as a Grievance, that the Law for regulating the Streets in Charles-Town, is not fully put in Execution; particularly, that all Kinds of Filth are thrown into the Streets; that there are no public Stocks for the Punishment of Offenders; that Cows and Horses are fed on the Pavements of the said Streets (particularly after Dark) to the great Annoyance of the Inhabitants thereof.—We likewise recommend, that such an Alteration may be made in the said Law, as to empower the Commissioners of Streets, &c. to punish such Negroes as refuse to work, unless it be such Work as shall be agreeable to themselves, and such Pay as they may require.

XI. **WE** present as a Grievance, that the Inhabitants of Charles-Town, and the Province in general, do not attend at Church on Easter Monday, for the Election of Parish-Officers; by which Neglect, Persons interested in serving those Offices, although often ignorant of the Duties incumbent on them, find Means to get themselves elected, to the great Prejudice of the Public.

XII. **WE** recommend, that the Legislature may empower the Commissioners of the Markets, to purchase a proper Place, to build a new Market upon, that will be more convenient than the present for the Country People who attend the same, the Dock adjoining the present Market being inconvenient, and having no Security for their Boats, which are frequently destroyed, with what they contain, by the Rapidity of the Tide, and Easterly Winds setting on Shore.

Lastly. **WE** do recommend, that the Court will order these our Presentments to be published.

CHARLES-TOWN, FEBRUARY 7.

LAST Friday Mr. Robert Smyth, of this Town, Merchant, who has resided some Time at Rhode-Island, returned from thence, in the Sloop Nancy, Capt. Earl, with Mrs. Miles, and Capt. Hull.

The same Day put into this Port, the Snow Charlotte of London, James Tosh Master, having been blown off the Bar of St. Augustine, where she lost all her Anchors. She had landed about 120 Staves there from Bance-Island; the Master was ashore with them; and the Vessel was brought in by the Mate, Mr. Joshua Fox.

Although the Damage done here, by the Storm on Wednesday the 30th inst, to the Shipping, the Wharves, and the Fortifications (which last were demolished in the Gale of the 7th of June) is inconsiderable; yet, we are informed, that it has been very severely felt to the Southward as far as Georgia, where the Tide rose to an Height beyond the Memory of any Man; and that the Gale was not less violent at St. Augustine.

The Schooner Elizabeth, Robert Bell Master from this Port for New-Providences, received some Damage; and put into St. Helena.

This Morning Robert Williams, jun. Esq; lately returned from England, was married to Miss Anne Roper, eldest Daughter of William Roper, Esquire.

They have had the most moderate Weather this Winter, at Philadelphia, New-York, Rhode-Island and Boston, that has been known for many Years.

The 25th of last Month, one who went by the Name of Luke Jean, but whose real Name is said to be Charles Caldwell, was taken up at Savannah in Georgia, accused by one Robert Cooper, of the Murder of Andrew Smith in Ireland 19 Years ago.

Last Tuesday died, aged 75 Years, Mr. Thomas Corker, of this Town, Merchant.

Mr. William Hort, late Librarian to the Charles-Town Library Society, having signified his Desire to resign; on Monday last Mr. Thomas Powell was elected in his Room.

Some Persons of Experience in the Woollen Manufacture, having been lately interrogated touching the Quality of the Wool of this Province, have declared it to be at least equal, if not superior, to the British Wool.
